

PATRICIA CORI

Renowned author, teacher/lecturer, radio host & spiritual guide to the sacred sites of the Earth.

A native of the San Francisco Bay Area, Patricia Cori has been immersed in the New Age Movement since its inception there in the early 1970's. She has utilized her clairvoyant abilities in healing and support work throughout her life, which has been dedicated in great part to the study of mysticism, philosophy, ancient civilizations, metaphysical healing, spirituality and unexplained mysteries.

In 1995, she founded the LightWorks Association of Rome (a non-profit organization), one of the first Spirit Centers to appear in the Eternal City, whose studios served as a healing center, school and the city's only New Age Library. She is a prominent figure in the Spirit Movement, well-known on the international lecture circuit—actively offering courses, seminars and workshops around the world on a vast range of topics, which reflect her broad knowledge of alternative methodology in healing and her remarkable gift of helping others rekindle and ignite the power within.

She has been recognized and celebrated as a gifted shaman by indigenous spirit teachers of the Tibetan, Mayan and Peruvian traditions. In 1996, she established the LightWorks travel club, SoulQuest™ Journeys, and that year led a group of spirit travelers to Nepal and Tibet, to whom she introduced the sacred temples and breathtaking spirit of the Tibetan landscape. She has since guided people through sacred sites in Asia, Mexico, Egypt, Europe and Peru, awakening them to Earth energies and the Secret Wisdom.

Patricia's books and CD, *The Sirian Revelations*, have enjoyed worldwide acclaim as wake-up call material for the expanding consciousness of humankind. They have been re-released to a vast international audience this year by North Atlantic Books/Random House Distribution and are also available in several foreign language editions.

She hosts the cutting edge web radio talk show, BEYOND THE MATRIX, on www.bbsradio.com - a program dedicated to exploring new avenues of human thought and experience and merging science and spirit. Patricia has also made numerous radio appearances and has recently been featured in the documentary films: *The Circle Chasers 2006*, *The Wake-Up Call - Anybody Listening?* and *2012 - We're Already In It!*

With her latest project, *Where Pharaohs Dwell*, Patricia delves into the secrets of immortality and our stellar origins through her beloved Egyptian landscape, exploring the magic of the ancients. The book is scheduled for release in Fall of 2009.
