TOM BOSCO, DIRECTOR, NEXUS MAGAZINE, ITALY

Fantastic! This is, without question, the most interesting and best-written book of any I have read in its genre

RICHARD HOAGLAND, AUTHOR OF THE MONUMENTS ON MARS

Makes great reading...!

RUTH MONTGOMERY, AUTHOR OF STRANGERS AMONGST US

The Cosmos of Soul is truly a 'wake up call' for humanity. I am recommending it to all my fans and friends.

LOLA STONE, CO-AUTHOR OF CELESTIAL 911

A MUST READ!

This past year I've read some important books from the Bible and Plato up to the latest by the Dalai Lama. However, this is one that stood out as touching on some of the most urgent events happening now and seemingly likely to occur in the near future.

There are now and have always been such channelings. This one (The Cosmos of Soul) rings so true that one feels impelled to share its message with others.

DR. JOSHUA STONE, THE MELCHIZEDEK LIGHT ACADEMY

I love these books! Great Work...a job well done!

JIM MARRS, AUTHOR OF RULE BY SECRECY

Most Enjoyable...

RON RINK, MBS NETWORK RADIO, TEXAS

MARCIA MCMAHON MASTRODDI, PEACEFUL PLANET RADIO

This material is extraordinary – I have never read anything so eloquent and concise. It is clear the Council, through the channel, Patricia Cori, are absolutely attuned to our experience on earth.

MARIA YRACÉBÛRÛ, QUERO APACHE DIIYIN, AUTHOR OF LEGENDS AND PROPHECIES OF THE QUERO APACHE

ATLANTIS RISING is a definitive guide to these confusing times of evolutionary history and conscious reality. Providing insight into the whys and wherefores of current events, this is an excellent book for restructuring our perspective and finding direction toward a future of hope and sacred fulfilment.

KATHY DOORE, AUTHOR, MARKAWASI; PERU'S INEXPLICABLE STONE FOREST

The Sirian Revelations -- a series of books based on higher dimensional teachings, as given by the Speakers of the Sirian High Council, channeled through Patricia Cori, challenge our predominate worldview, revealing our true origins and empowering us to make conscious choices in our ever evolving, and often baffling world. Meticulously detailed throughout, the series sheds new light on the historical timeline and offers concrete guidance for "starseed awakening". Excellent, well-written masterpiece, and highly recommended.

V.SUSAN FERGUSON, AUTHOR OF INANNA RETURNS

Starseed Awakening: If in your heart you know that "there are those...who have come into incarnation to stand for humankind and fight for Gaia...warriors all" and if you remember that "when you decided to come into this earth adventure that blowing down the Establishment Walls would be a Herculean task ... but fall they would indeed" – then this book was written for you.

It takes great courage to write a book like this and I thank Patricia Cori for doing so. I believe that 'No More Secrets, No More Lies' is the next book for the Starseeds – and you know who you are.

Finally! The Connection Is Made

Patricia Cori channels the Sirian High Council and gives us the story of our planet with no punches pulled. This book is beyond important and could very well be one of the most important books I've ever read.

DOUG KIMBALL, CONTROVERSIAL BOOKSTORE – SAN DIEGO

I have been in the book business for over 25 years and have not seen a demand for a book like this (Atlantis Rising) since we sold nearly 500 copies of Dr. Jose Arguelles book Mayan Factor the three months prior to Harmonic Convergence in August, 1987.

ISIS LIVINGSTONE: SHAMBHALA HEALTH AND HEALING RETREAT, GLASTONBURY, ENGLAND.

...a life-changing experience which has created an expansion of spirit to levels only 'remembered' ...A million thanks to Patricia.

TURTLE RATTLE WOMAN, NATIVE AMERICAN SHAMAN OF THE TSULAGI TRIBE

COSMOS is indeed the most brilliant book I have read in years, and certainly one of the most important. The Genesis analysis should be required reading for everyone. It is fantastic, and it makes such sense.

I am thrilled with your ability to connect so powerfully and eagerly await further revelations.

The Winds of Change are Blowing

The physical conditioning of our sensual pleasures ties us to this earthly plane. We have forgotten that we are not physical but light bodies. We can fly. We can escape our conditioned existence, our hypnotized state, and we have the assistance of an extremely intelligent source, the Sirian High Council, channeled by Patricia Cori.

It seems to me that if Patricia Cori had written the movie script for Network (remember Peter Finch in the role of the broadcaster?) she might have said, "Now I want you all to get off your knees, turn off the TV, go to the window and shout: I'm mad as hell and I'm not going to take it anymore."

She is making a clarion call to action as messenger for the High Council. As Andre Gide said, Everything that needs to be said has already been said. But since no one was listening, everything must be said again. Here's your best chance to listen.

By this time, you have read the Editorial Reviews above and probably some of the other Readers' Reviews, and it is evident how excited we are about Cosmos of the Soul. That will be true except, perhaps, those few folks infected with the fundamentalist virus. Their paradigm is shifting and they don't see it. The Council explains what will be happening to those who cannot or will not see the forthcoming ascension of the awakened. If they are looking for an atavistic return to Moses on one of the three possible mountains somewhere on the Sinai Peninsula, they are too late. Cori, however, discusses how that particular problem will be resolved.

The material she covers in her work is so extensive and detailed, it encourages me to follow suit. A caveat cautions me to let each person discover it alone. The path to self-discovery is within the self, and no intermediary should intervene.

Are you ready for the dawn of the transformation? Find out.
